EXPLANATION OF SYMBOLS

When changes are made in any tariff page, a revised page will be issued, cancelling the tariff page affected. Revised pages will be identified in the upper right corner (e.g. "1st Revised Page No. 1, Replaces Original Page No. 1").

When a new page is added between pages already in effect, a decimal or letter is added. For example, a new page added between pages 1 and 2 would be page 1.1, and a new page added between pages 1.1 and 1.2 would be page 1.1a.

Changes will be identified on the revised page(s) through the use of the following symbols:

- (C) - To signify a changed regulation.
- (D) - To signify a discontinued rate or regulation.
- (I) - To signify an increased rate.
- (M) - To signify material relocated from one page to another without change.
- (N) - To signify a new rate or regulation.
- (R) - To signify a reduced rate.
- (T) - To signify a change in text, but no change in rate or regulation.

DEFINITION OF TERMS

Access Line - A dedicated arrangement from the local telephone company or common carrier which connects the Customer's location to a Company network switching center.

Account Code - A series of digits entered by the caller to associate the telephone call with a particular department, cost center, or client. A non-verified Account Code will be accepted if it contains the proper number of digits. A verified Account Code will only be accepted if it can be matched with a number on the list of valid Account Codes provided by the Customer.

Authorization Code - A numerical code, one or more of which are available to a Customer to enable him/her to access the Company's Network, and which are used by the Company both to prevent unauthorized access to its facilities and to identify the Customer for billing purposes. Multiple authorization codes may be assigned to identify individual users on the account.

Company or Carrier - TTI National, Inc.

Conversation Minutes - For billing purposes calls are billed based on conversation minutes, which begin when the called party answers and end when the calling party disconnects.

Customer or Subscriber - The person, company, firm, corporation, or other entity which orders or uses service and is therefore responsible for the payment of charges due and compliance with the Company's tariff regulations.

Day - From 8:00 AM up to but not including 5:00 PM local time Monday through Friday.

Evening - From 5:00 PM up to but not including 11:00 PM local time Sunday through Friday.

KCC - The Kansas Corporation Commission.

Night/Weekend - From 11:00 PM up to but not including 8:00 AM Sunday through Friday, and 8:00 AM Saturday up to but not including 5:00 PM Sunday.

Off Peak - All calls that occur between 5 P.M. through 7:59 A.M. Monday through Thursday, and all calls between 5 P.M. Friday and 7:59 A.M. Monday and Company-recognized holidays.

DEFINITION OF TERMS (Continued)

Peak - All calls that occur between 8 A.M. through 4:59 P.M. Monday through Friday, except on Company-recognized holidays.

Service - Service means any or all service(s) provided pursuant to this tariff.

Underlying Carrier - The carrier that furnishes switches and transmission facilities for the carriage of the customer services upon the order of TTI National, Inc.

REGULATIONS

1. Application of Tariff

This tariff contains the regulations, rates, and charges applicable to the resale of interexchange telecommunications services provided by the Company for the use of Customers in transmitting messages throughout the State of Kansas.

Effective August 1, 2001, pursuant to the direction of the Federal Communications Commission (FCC), TTI National is canceling its federal tariffs for services with certain exceptions, including those pertaining to exchange access, casual calling, and basic long distance service during a 45-day period for customers who sign up for TTI National service with a Local Exchange Carrier (LEC). International services for Residential and Small Business customers will also remain tarified through January 27, 2002. Also, beginning August 1, service descriptions, definitions, terms and conditions, and pricing for state-to-state services no longer federally tarified may be found at <http://www.ttinational.com> or by calling 1-800-893-5094.

2. Availability of Service

The Company offers resold interexchange telecommunications service to any person in its service area who desires to be a Customer, subject to the provisions of this tariff. Service is available 24 hours per day, 7 days a week.

3. Limitations Of Service

- a. Service is offered subject to the availability of the necessary facilities and/or equipment, and subject to the provisions of this tariff.
- b. The Company reserves the right to discontinue Service when necessitated by conditions beyond its control, when the Customer is using the Service in violation of the provisions of this tariff or in violation of the law, or for non-payment.
- c. The Company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.
- d. Services provided under this tariff may be used for any lawful purpose for which the Service is technically suited.

REGULATIONS (Continued)

4. Limitation of Liability

- a. The Company shall not be liable for claim or loss, expense or damage (including indirect, special or consequential damages), for any interruption, delay, error, omission, or defects in the Service, facility, or transmission provided under this tariff, if caused by any person or entity other than the Company, by any malfunction of any service or facility provided by any other carrier, by an act of God, fire, war, civil disturbance, or act of government, or by any other cause beyond the Company's direct control. In any event, the Company's liability to a Customer is limited to the charges for Service rendered to the Customer.
- b. The Company shall not be liable for, and shall be fully indemnified and held harmless by the Customer against any claim or loss, expense, or damage (including indirect, special or consequential damages) for defamation, libel, slander, invasion, infringement of copyright or patent, unauthorized use of any trademark, tradename or service mark, unfair competition, interference with or misappropriation or violation of any contract, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data, information, or other content revealed to, transmitted, or used by the Company under this tariff; or for any act or omission of the Customer; or for any personal injury or death of any person caused directly or indirectly by the installation, maintenance, location, condition, operation, failure, presence, use, or removal of equipment or wiring provided by the Company, if not directly caused by negligence of the Company. No agents or employees of other carriers shall be deemed to be agents or employees of the Company.
- c. The Company shall not be liable for any defacement of or damages to the premises of a Customer resulting from the furnishing of service which is not the direct result of the Company's negligence.

REGULATIONS (Continued)

4. Limitation of Liability (Continued)

- d. The Company shall not be liable for any damages, including usage charges, that the customer may incur as a result of the unauthorized use of its communications equipment. The unauthorized use of the Customer's communications equipment includes, but is not limited to, the placement of calls from the Customer's premises and the placement of calls through Customer-controlled or Customer-provisioned equipment which are transmitted or carried over the Company's network without the authorization of Customer. The Customer shall be fully liable for all such usage charges.
- e. The Customer is required to notify Company of any changes to Customer's equipment, including software controlling the equipment. Company is not liable for interruptions in Service caused by Customer's failure to notify Company prior to any change.

5. Locations of Service

The Company will provide service to Customers at Customer premises within the State of Kansas.

6. Terminal Equipment

The Company's facilities and service may be used with or terminated in Customer-provided communications systems, such as a PBX. Such terminal equipment shall be furnished and maintained at the expense of the providing Customer, except as otherwise agreed in advance and in writing. The Customer is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of Company's Service. When such terminal equipment is used, the equipment shall comply with the generally accepted minimum protective criteria standards of the telecommunications industry.

REGULATIONS (Continued)

7. Payment and Billing:

- a. Service is provided and billed on a monthly basis. Long distance charges are billed in arrears and fixed monthly recurring charges, if any, are billed one month in advance.
- b. Bills are due and payable upon receipt. Interest at the maximum rate allowed by state law may be charged on any amount which remains unpaid after thirty (30) days from the rendering of the bill.
- c. The security of the Customer's Authorization Codes is the responsibility of the Customer. All calls placed using the Customer's Authorization Codes or using facilities owned or controlled by the Customer will be billed to and must be paid by the Customer.
- d. The Company reserves the right to examine the credit record of an applicant or Customer. A Customer whose service has been discontinued for non-payment of bills will be required to pay any unpaid balance due to the Company before service is restored.

8. Special Taxes, Fees and Charges

Services may be subject to state and/or local taxes at the prevailing tax rates, if the Service originates or terminates in the State of Kansas or both. Such taxes are listed as separate line items in a Customer's bill and are not included in the quoted rates.

When any municipality, other political subdivision, local agency of government, or the Kansas Corporation Commission imposes upon and collects from TTI National, any assessments, gross receipts tax, franchise fees, license tax, occupation tax, permit fee,

regulatory fee, excise tax, Universal Service Fund, or other similar taxes or fees; such taxes and fees shall, insofar as practicable, be billed pro rata to the TTI National customer receiving service within the territorial limits of such municipality, other political subdivision, local agency of government, or public utility commission. TTI National may adjust its rates and charges or impose additional rates and charges on its customers in order to recover the above listed charges it is required to collect from or pay to others in support of statutory or regulatory programs.

9. Deposits

The Company does not require a deposit from the Customer.

REGULATIONS (Continued)

10. Cancellation of Service by the Customer:

The Customer may cancel Service by giving notice to the Company up to the day Service is scheduled to commence. If the Customer orders Service which requires special construction or special facilities dedicated to the Customer's use, and then cancels his order before Service begins, a charge will be made to the Customer for the non-recoverable portions of the expenditures or liabilities incurred on behalf of the Customer.

11. Cancellation of Service by the Company

Without incurring liability, the Company may immediately discontinue Service or cancel an application for Service by written notice to the Customer:

- a. For the non-payment of any sum due to the Company for more than thirty (30) days after the Company issues the bill for the amount due;
- b. For the violation of any of the provisions governing the furnishing of service or facilities under this tariff;
- c. For any violation of any law, rule, regulation, or policy of any government authority having jurisdiction over the service or facilities; or
- d. By reason of any order or decision of a court or other government authority having jurisdiction which prohibits the Company from furnishing the service or facilities to the Customer.

REGULATIONS (Continued)

12. Timing of Calls

The Customer's long distance usage charges are based on the actual usage of Carrier's network. Usage is measured in Conversation Minutes. The minimum call duration varies by service, as indicated in REGULATIONS, Section 14, Service Offerings, of this tariff. Chargeable time for the Customer shall begin when the local exchange company signals that the called party has answered. Chargeable time shall end when either party disconnects. The company will not charge for uncompleted calls.

13. Calculation of Distance

Usage charges for all mileage sensitive products are based on the airline distance between the rate centers associated with the originating and terminating points of the call.

The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are found in AT&T Tariff FCC No. 10

Formula:

$$\frac{(V1-V2)^2 + (H1-H2)^2}{10}$$

v. Business Success Service

Business Success Service provides outbound and toll free switched and dedicated service and calling card service to single or multi-location Customers.

Service Availability:

a) Service Types:

Available service is:

Business Success Service Switched outbound and inbound, which is outbound and toll free service which originates via switched access;

Business Success Service dedicated outbound and inbound, which is outbound and toll free service which originates via dedicated access;

Business Success Service outbound calling card service, which is service which originates via calling card access.

b) Service Option Availability:

Business Success Service Switched outbound and inbound, and outbound calling card service, is available on a month-to-month basis. Customers may enroll in Business Success Service outbound calling card service without enrolling in other business success service offerings.

Business Success Service dedicated outbound and inbound service is available under a 1 or 2 year term of service under a Business Success Service dedicated service term plan. Customers who subscribed to service via this term plan are subject to the following conditions:

Definition of Terms:

For purposes of the Business Success Service term plan, the following definition applies: Qualifying Volume is the customer's total domestic and international Business Success Service dedicated outbound service usage after the application of promotional and other discounts. The following are not included as Qualifying Volume: Directory Assistance charges; monthly recurring and non-recurring charges; and taxes.

of service will commence with the provisioning of service following the execution of the Business Success Service dedicated service term plan by a customer and the Company. A plan will automatically renew for an equivalent term and volume commitment upon expiration of its term, unless the customer provides written notification to cancel the Business Success Service Dedicated Service Term Plan, which must be received by the Company no more than 30 days after expiration of the existing term. If the customer cancels the existing term plan within 30 days after expiration of the existing term, the customer will receive the discounts for which the customer qualifies during the 30-day period following the expiration of the existing term of service.
