SECTION 2 - RULES AND REGULATIONS, CON'T.**2.10 Interconnection**

Service furnished by Carrier may be connected with the services or facilities of other carriers. Customer is responsible for all charges billed by other carriers in connection with Carrier's Service. Any special interface equipment or facilities necessary to achieve compatibility between carriers is the sole responsibility of Customer.

2.11 Inspection, Testing and Adjustment

- 2.11.1** Carrier may, upon reasonable notice, make such tests and inspections as may be necessary to determine whether tariff requirements are being complied with in the installation, operation, and maintenance of Customer's or Carrier's equipment. The Carrier may interrupt the Service at any time, as necessary, because of a departure from any of these requirements.
- 2.11.2** Upon reasonable notice, the facilities provided by the Carrier shall be made available to Carrier by the Customer for such tests and adjustments as may be necessary for their maintenance to a condition satisfactory to Carrier.
- 2.11.3** Carrier shall not be liable for any damages for Service interruption pursuant to this Section. The Customer shall not be entitled to any credits for interruption of Service pursuant to this Section when the interruption is less than twenty-four consecutive hours.

2.12 Interruption of Service

- 2.12.1** Credit allowance for the interruption of Service which is not due to Carrier's testing or adjustment, negligence of the Customer, or to the failure of channels or equipment provided by the Customer, are subject to the general liability provisions set forth in section 2.3.1 herein. It shall be the obligation of the Customer to notify the Carrier immediately of any interruption of service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being called by action or omission by the Customer within his control, or is not in wiring or equipment, if any, furnished by the Customer and connected to the Carrier's facilities.
- 2.12.2** For the purposes of credit computation, every month shall be considered to have 720 hours.
- 2.14.3** No credit shall be allowed for an interruption of a continuous duration of less than two hours.
- 2.14.4** The Customer shall be credited for an interruption of two hours or more at the rate of 1/720th of the monthly charge for the facilities affected for each hour or major fraction thereof that the interruption continues.

Credit formula:

$$\text{Credit} = \frac{A}{720} \times B$$

"A" = Outage time in hours

"B" = Total monthly charge for affected facility

2.13 New Mexico Universal Service Fund Surcharge

A surcharge for the New Mexico Universal Service Fund applies to intrastate retail telecommunications services billed to customers on invoices rendered on or after April 1, 2006. Exempt customers, as defined by 17.11.10.7.1 of the NMAC, are not subject to the surcharge. The surcharge shall be equal to the State USF Surcharge Rate established by the administrator of the New Mexico Universal Service Fund.
